

# Nathaniel R. Bush

(480)372-1922   nathanielbush219@gmail.com   Tempe, AZ, 85281

A dedicated college junior aiming to design urban spaces with a strong sense of place. Passionate about public service and community involvement, highlighted through volunteer work. Works well with colleagues to create a productive and team-driven atmosphere.

## Education

(2021-present)

### Bachelor of Science, Urban Planning

*minor in Geography*

Arizona State University, Tempe, AZ

## Projects

### 08/2023 - 12/2023

#### Tempe Sister Cities Memorial Area

- Worked alongside project managers from the Tempe Park Department and the president and board members of the nonprofit Tempe Sister Cities Program to repurpose a public space with a stronger identity.
- Utilized software such as SketchUp and the Adobe Suite.
- Presented a three-dimensional design and 60-second film to the client.

### 11/2023

#### Historic Downtown Phoenix

- Created a 3D model to explore options for an underutilized site in Downtown Phoenix for an Urban Design class.
- Surveyed the property to understand the existing surrounding context.
- Engaged with and incorporated a property adjacent to the site listed in the historic register.

## Skills

### Hard Skills

AdobeSuite (Photoshop, Illustrator)

SketchUp (3D)
